My dear Mr Jerome

Tomorrow the Messenger will take charge of the Coleg promised portrait, once more I have only to send a person, with your card, to the Spanish Embassy 12 Queens Gate Place / South Kensington and enquire for the Secretary, Señor de Zarleta, when the Crease will be delivered to him.

At the same time I have a favor to ask of you, which is, that you will have the kindness to purchase for me at Salomons the Opticians, Mulberry Gate Street a pair of Ladies tinted Spectacles number 10. I dont wish for expensive ones, only superior

glasses, and lightly mounted.
I fancy they must cost about
3 or 4 Dollars. They may be
delivered to Señor Inductor.
"Para entregar al Señor Cabeza
de la Secretaria de Estado"

Have those kind of glasses are
not to be found, since as I am
in the habit of reading during
the winter evenings, I stand
in great need of them. This you
will own is a reasonable apology
for troubling you.

I have been told that
I may receive my pension through
the English Embassy; Of this, however,
I have my doubts, and I should be
greatly obliged, if you would make
the enquiries, and also if the payments
are made yearly, half yearly or
quarterly.

When you come conveniently

spare time, I should be glad if you would sum up my little accounts, as you may imagine I am not very flush of money, as the elder Mr Greenaleh's often increase their expenses instead of increasing

With kindest remembrances from all the family

Believe me to remain

Dear Mr Forman

Most gratefully and sincerely yours. Danny Rondo de Lima

My dear Mr Forman

I enclose you the Certificate with many thanks for all your kindness to me. I was much agreeably surprised at finding six months nearly due, for I supposed the grant to have been made on the 29th Sept.r whereas it must have been made on the 29th June, according to your calculation.

If I could obtain in England an interest upon the proceeds of the Memorial Fund of 6 per cent without risk, I should prefer leaving it there for the present; but I imagine the sum is too small to be manageable.

The acciones del Banco de Espana give 6 per cent, I must therefore make up my mind to transfer it here, much against my inclination,
